Story 6 (NFR-001): Maintain audit ledger

▼ Description

As a system administrator,
I want all financial approvals and status changes logged to an immutable audit trail,
So that we can prove compliance and investigate disputes.

NFR-002: Dashboard Render Performance

Story 7 (NFR-002): Render analytics dashboard within threshold

▼ Description

As a Faculty Researcher or Research Dean,
I want the analytics dashboard to load quickly even with large expense histories,
So that I can make timely budget decisions without delays.
